Lecture WooClap quizzes

Students who received an official exemption from attendance may complete the bot activity that will be published by Opher instead of the WooClap quiz conducted during the lecture they missed. The final report generated by the bot must be uploaded to the appropriate location on Moodle.

Students who attended the lecture and wish to improve their WooClap quiz score may also complete the bot activity but will not get full credit.

The grading policy for the lecture WooClap quizzes is:

For each lecture, the WooClap/tutor component is calculated as follows. WooClap Grade and Tutor Grade are both on a 0–100 scale.

1. **WooClap only:**
 $0.05 \times \text{WooClap Grade}$
2. **WooClap + Tutor:**
 $0.05 \times \text{WooClap Grade} + 0.02 \times \text{Tutor Grade}$
3. **Excused absence, without WooClap:**
 $0.07 \times \text{Tutor Grade}$
4. **Unexcused absence, without WooClap:**
 $0.03 \times \text{Tutor Grade}$

The regular weight of this component is 5 points in the final course grade, but by doing both WooClap and the tutor it is possible to earn up to 7 points. You may complete the tutoring session at any time before the first exam date that you take. **To receive credit for a tutoring session, you must upload the downloaded final report to Moodle.**

Final exam

All students are required to take the final exam. There will be no alternative assessment in place of the exam. Eligibility for additional exam dates (Moed C / Moed D) will follow university regulations.

Homework assignments

- **Group 2 and Group 300+:** Homework may be submitted until the end of the semester.
- **Group 3:** Homework may be submitted until the first exam date the student attends.

Tutorial WooClap quizzes (after homework submission)

Students who could not attend the tutorial and/or submitted the homework late for an

approved reason may complete an alternative quiz covering all homework assignments.

Alternative quiz dates will take place during the week before each exam date. Specific dates will be announced later.
